

ANNUAL REPORTS

OF THE TOWN OF

MERRIMACK

NEW HAMPSHIRE

For twelve months ending

December 31, 1959

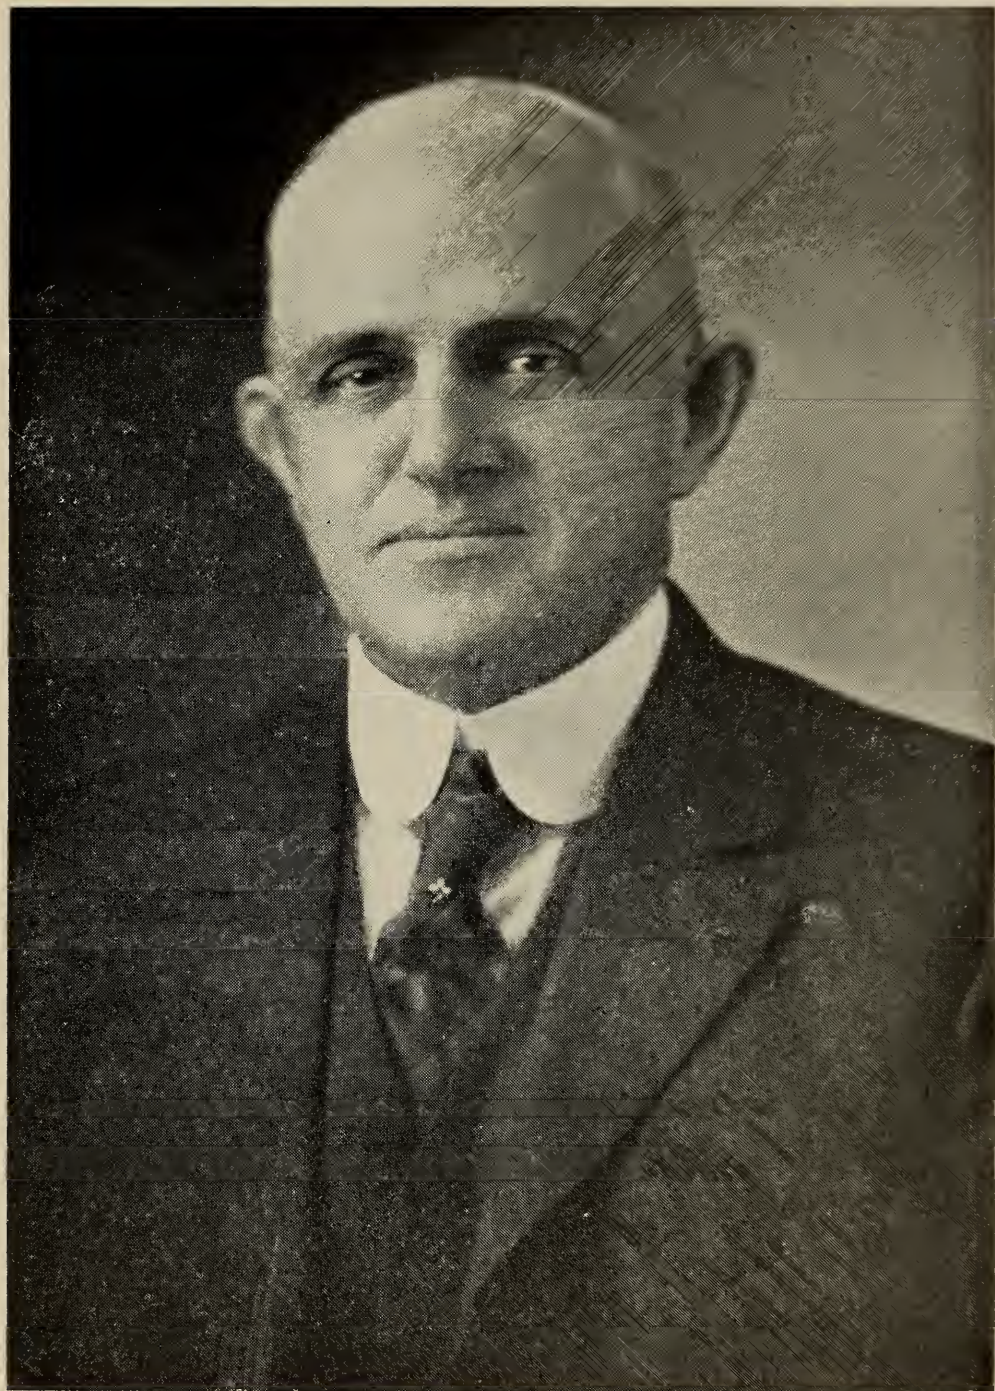

Digitized by the Internet Archive
in 2012 with funding from
Boston Library Consortium Member Libraries

Merrimack's new fire station, pictured on the front cover, was given to the Town of Merrimack by Bertha Lowell Gordon in memory of her husband, Arthur G. Gordon, February 21, 1960.

Mr. Gordon was born in Merrimack in 1874. His family before him had long been active in town affairs. Mr. Gordon had served as a member of the Board of Selectmen and as representative to the Legislature, and had devoted much of his time to the growth and development of our community. He was instrumental in organizing Merrimack's first volunteer fire department in 1924. At the organizational meeting of the department Josiah N. Henderson was elected Chief, and Arthur G. Gordon its Deputy Chief which office he held until his retirement in 1949. He served the town as its forest fire warden for many years.

His interest in the growth and development of Merrimack were not confined to the Fire Department alone. He devoted much of his time to the Last Rest Cemetery Association, Wheeler Chapel, to the industrial aspects of the Town's growth, and was, at the time of his death, Senior Deacon of the Merrimack Congregational Church.

The Town's new fire station will long serve as a memorial to his many civic efforts.

ARTHUR GILBERT GORDON

1874 - 1958

TOWN WARRANT

To the Inhabitants of the Town of Merrimack in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Merrimack High School Auditorium in said Merrimack on Tuesday, the eighth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
 - a. Town Officers' Salaries
 - b. Town Officers' Expenses
 - c. Election and Registration
 - d. Town Hall and Building Maintenance
 - e. Police Department
 - f. Fire Department
 - g. Health Department
 - h. Town Dump Maintenance
 - i. Town Road Aid
 - j. Town Highway Maintenance, summer, winter
 - k. Street Lighting
 - l. Library
 - m. Old Age Assistance
 - n. Town Poor
 - o. Memorial Day
 - p. Cemeteries
 - q. Payments on Debt, Principal and Interest
 - r. County Tax
 - s. School Tax
 - t. Insurance
 - u. Full Time Office Employee
 - v. Municipal Court
 - w. Civil Defense
 - x. Sewer Maintenance
 - y. Parks and Playgrounds
 - z. Interest on Temporary Loans

3. To see if the Town will vote and appropriate the sum of \$100.00 for the Merrimack Valley Association.

4. To see what action the Town will take regarding the acceptance of new streets.

5. To see what action the Town will take regarding the location of new street lights and make such appropriation as may be necessary in connection therewith.

6. To see what action the Town will take regarding the repairing of the Town Hall.

7. To see what action the Town will take regarding the purchase of a new grader.

8. To see what action the Town will take regarding the purchase of a new piece of fire equipment.

9. To see if the Town will vote to accept and preserve in the Town Library the Watkins collection of relics.

10. To see if the Town will vote to raise and appropriate a sum of money for the further development of the Twin Bridge area.

11. To see if the Town will vote to authorize the Selectmen to purchase land bordering Naticook Lake to provide public entrance to said Lake.

12. To see if the Town will take any action relating to the Zoning Laws.

13. To see if the Town will vote to allow a discount for the early payment of taxes.

14. To transact any other business that may legally come before this meeting and take any action relating thereto including the making of appropriations to cover the same.

POLLS FOR VOTING WILL BE OPEN FROM TEN O'CLOCK IN THE MORNING UNTIL CLOSE OF THE MEETING.

ARTICLES OF THE WARRANT WILL BE TAKEN UP AT SEVEN O'CLOCK P. M.

Given under our hands and seal, this 8th day of February, in the year of our Lord nineteen hundred and sixty.

SELECTMEN'S REPORT

Town Road Aid received from the State amounted to \$7,695.55 and matched by \$1,154.33 appropriated by the Town, making a total available of \$8,849.88, was expended during 1959 on resurfacing Peaslee Road, graveling Pearson Road, surfacing Church Street and Chapel Street, also the construction and surfacing of a new road into the new High School Auditorium.

Merrimack's new fire station has been completed in Merrimack Village. Dedication ceremonies were held on February 21st, marking the acceptance of the building by the Town. This building was constructed within the amount of the gift and cost \$30,154.98.

During 1959 the Great Dane Knitting Mill moved the balance of its operation to its Merrimack plant located in the New England Chemical Supply Corporation building in Merrimack Village.

The Pilgrim Furniture Company began operations in July and are welcomed to Merrimack as its newest industry. Employment in this industry is expected to increase substantially in the near future.

Merrimack experienced a substantial increase in the tax rate in 1959 which amounted to \$7.60 per thousand. The major reason for the increase was the beginning of principle and interest payments on the new High School Auditorium and the cost of our school operation.

MERRIMACK POLICE DEPARTMENT

The Department would like to draw your attention to the fact that dog complaints, 56 in number, tops the list of complaints answered in the last year. These complaints seem to increase each year. Many of these could be avoided if each family owning a dog tried especially when the children are leaving for school, to make sure their dog was in the house. We have had some difficulty in the last year because of dogs being allowed to follow children to school, and twice children were bitten. We ask your cooperation in the coming year in this regard and I feel sure our complaint list will be much smaller.

Upon request of the School district, Officer Arthur Timmins was detailed to traffic duty at the school crossing near the Library on the D. W. Highway. I feel sure any one of you having observed him and the fine job he is doing will say that it is money well spent by the Town of Merrimack. This last year he spent 251½ hours on this corner looking out for the safety of the children of Merrimack. The children have come to depend on him, especially the little ones, and many of them love him while the big ones are a little wary of him when they step out of line.

The continued cooperation of the State Police still helps the Department to keep within our budget. Any assistance from other departments has also been appreciated. My sincere thanks to all.

JOSEPH L. PYNENBURG

Chief of Police

Merrimack, N. H.

CIVIL DEFENSE

The primary effects of nuclear attack are extreme heat and blast of great intensity which will extend over wide areas from the point of impact, causing destruction of buildings and facilities, and setting the resulting debris on fire. Atomic or nuclear weapons which are exploded on or near the ground will create radioactive contamination in lethal concentrations in areas far beyond the zones of blast and heat damage. This fallout will spread over the outskirts of cities attacked for many miles downwind from the target. No city or town in New Hampshire can be considered safe from radioactive fallout.

Manchester-Target Complex, including the towns of Bedford, Goffstown, Hooksett, Litchfield, Londonderry, Manchester and MERRIMACK. Declared a potential target because of Grenier Air Force Base, concentration of industry and largest population of the state.

Evacuation of Target Areas is the only effective course of action which can be taken by the civilian population at this time in anticipation of enemy attack.

HAROLD V. BUKER

HERSCHEL COX

Chief of Police

JOSEPH L. PYNENBURG

Chief of Fire Department

GEORGE J. ALLGAIER

REPORT OF MERRIMACK FIRE DEPARTMENT

February 1, 1960

We wish to express our thanks for the co-operation extended from the public in preventing and extinguishing fires during the past year.

G. Allgaier, C. Nute, E. Bishop, F. Read, C. Worster, W. Allgaier, Jr., G. Beard, W. Butler, G. Clinghan, N. Devito, J. W. French, N. Hall, A. Houle, J. Janas, A. Jarry, H. McCalvey, Sr., T. Read, J. Roy, E. Thibodeau, W. Tinsch, E. Cross, Jr., M. Ryan, H. Duxbury, W. Cain, Jr., C. Q. Hall, A. Avery, J. F. Hall, A. Heath, C. F. Hall, B. Hall, C. Warren, A. Junkins, H. Linscott, A. Burgess, Jr., F. Haseltine, F. Hill, E. Haseltine, H. Geary.

Manhours Expended on House Fires	219
Manhours Expended on Drills	251
Manhours Expended on Car, Truck Fires	52½
Manhours Expended on Chimney Fires	23
Manhours Expended on False Alarms	74
Manhours Expended on Industrial Fires	15
Manhours Expended on Electrical Fires	16

We would like to take this opportunity to thank Mrs. Bertha L. Gordon for her most generous gift to the town, the sum of thirty thousand Dollars for the purpose of constructing a new building to house the fire equipment, to be known as the Arthur G. Gordon Memorial Building, as a memorial to her late husband, Arthur Gilbert Gordon, one of the original founders of the Merrimack Volunteer Fire Department.

A Building Committee consisting of Chief George Allgaier, Deputy Chief Earl Bishop, Herbert Duxbury, Lt. Fay Fead, Norman Hall, John Lyons, and Edward Haseltine, was formed to draw up specifications and plans for said building. A number of contractors were invited to bid on the construction of this station. The committee voted to accept the bid received from the L. H. Shattuck Co., Inc., Manchester, New Hampshire, on drawings and specifications prepared by Mr. John Lyons. Construction got under way the first part of August and was completed the latter part of October. At this time, tentative plans are being made for the dedication and open house to be held on February 21, 1960.

We would also like to take this opportunity to publicly thank Mr. John Lyons for his much appreciated capable and valued assistance in the drawing up of the plans and the building of our new fire station.

In case of fire dial 4-5571. State location of fire. Do everything you can to keep the fire from spreading. Keep buildings closed as much as possible, and upon arrival of Fire Department, give them any information which may be of help to them.

Please keep all roads open so trucks can go and come at will, without being hindered by cars parked in the road.

GEORGE J. ALLGAIER,
Fire Department Chief

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note
58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 20

Number of acres burned, 5½

Number of permits issued, 185

WINTHROP HANNAFORD
District Fire Chief
CLARENCE WORSTER
Forest Fire Warden

HEALTH REPORT FOR THE TOWN OF MERRIMACK

1959

The over-all picture for the health situation in the Town of Merrimack remains excellent.

During the period of 1959 your health officer investigated several homes and approved them for the care of children.

One problem concerning a septic tank had to be referred to the State Board of Health before any definite action could be obtained.

Infectious diseases were the general run of cases and the following were reported.

Chicken Pox	14 cases
Measles	42 cases
Mumps	5 cases

A report of the water analysis from the State Board of Health read; "Good at time of collection."

LUTHER A. MARCH, M.D.

Health Officer
Town of Merrimack

STATE NURSE'S REPORT

An Immunization clinic was held on February 19th in the Catholic Church Hall at which Small Pox Vaccine was given to pre-schoolers, and Salke Vaccine was given to those of all ages requesting it.

Mrs. Betty Getz, R.N., Legion Auxiliary, was in charge of recruiting the nurses and workers who serviced the clinic.

Luther March, M.D., Health Officer, and Oscar Burns, M.D. administered the inoculations.

A large number of Town children got their third Salke Vaccine inoculation or received a booster dose to complete their immunization.

The clinic was under the direction of the State Department of Health.

MARIE H. FAHEY, R.N.
State Nurse

LIBRARY REPORT

Number of books in library January 1st, 1959	11,174
Number added by gift and purchases	318
Number of books discarded	22
Number of books lost	16
Number of books on shelves Jan. 1st, 1960	11,454
Number of books and magazines circulated	11,146
Number of magazines taken by the library	29
Number of magazines given	2
Number of readers names listed	870
New names added during 1959	114

The library receives State Reports, other reports and trade magazines.

Books borrowed from the State Library, Nashua Library and the Book Mobile.

The special attention of all Parents and Teachers is drawn to the problem of 'overdue books.' The co-operation of all Borrowers is solicited in seeing that books are returned or re-newed on the date due.

'National Book Week' was observed in March by a Special book display.

The library observes special dates with topical book displays, or pictures on the bulletin board.

Books are loaned to schools when requested.

The Library was decorated during the Holiday Season with Christmas greens, candles, a lighted tree in the window, and suitable literature and pictures were on display.

The new heating system is a great asset to the comfort of the library.

Gifts of books and magazines have been received from the following:—

Mr. Ralph Upham	Rev. John W. Wright
Mr. Richard Cook	Mr. & Mrs. F. Haseltine
Mrs. Ivy Kent	Mrs. Alice Delaney
Mrs. Nellie Murphy	Mr. Irving Mower
Reeds Ferry Woman's Club	Catholic Woman's Guild
Merrimack Community Club	American Legion Auxiliary
New England News	Book of the Month Club

MARGUERITE M. HENDERSON

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Merrimack qualified to vote in district affairs:

You are hereby notified to meet at the School Auditorium in said district on the 1st day of March 1960, at 7:30 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board and Trustees for the ensuing three years, and one year.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrent.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to raise and appropriate the sum of \$250,000.00 for the construction of an Elementary School, equipment and furnishing of same; whether the District will vote to raise such sum through the issuance of serial notes and bonds upon the credit of the District; and to authorize the School Board to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale and the time and place of payment of interest and principal, in accordance with the provisions of the Municipal Bond Statute N. H. Revised Laws Chapter 72 and any amendments thereto.

10. (If Article 9 passes in the affirmative) To see if the District will vote to use money from the Capital Reserve Fund for the payment of the interest on the first half year of the above mentioned issue.

11. To see if the District will accept a fund set up by Mr. Harry Watkins, the proceeds of same to be used for the maintenance of the Elementary Schools in the District.

12. To transact any business that may legally come before this meeting.

Given under our hands at said Merrimack this 15th day of February 1956.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Merrimack I submit with pleasure my fifth annual report as your Superintendent of Schools.

I am happy to report that over the past year Merrimack has been able to continue the upgrading of its instructional program as well as its various physical plants. Believe me there is great satisfaction in feeling that one is part of the changing scene, especially so, when it represents constant growth in the right direction. Your School Board is to be commended for their sincere interest in your schools as evidenced by the many hours spent in working jointly through the numerous problems that beset a town growing by leaps and bounds as your town is.

Regardless of what has been done in the past, Merrimack cannot rest upon its laurels. In 1958-59 our actual enrollment was 674 pupils with a projected enrollment of 711 for 1959-60. As of December 22nd our actual enrollment for 1959-60 was 724 with an anticipated record of 850 pupils in our schools next year (60-61). Carrying this projection into 1961-62 shows an anticipated 943 pupils. In 1957-58 our best estimate indicated 747 pupils in 1961-62 but here we are in 1959-60 only 23 pupils short of that earlier estimate for 1961-62. Is it any wonder that Merrimack is once again involved in the need for more classroom space as well as more teachers to put in those those classrooms? Based upon past performance we can be sure that Merrimack will meet the problem "head on" and do its best to take care of its own.

NEW TEACHERS

Miss Katherine M. Cady, B.Ed., K.T.C. 1959 to replace Miss Cecilia Gregg in grade 4. Miss Gregg resigned to accept a position where she could be at home.

Miss Elizabeth J. Guyette, B.Ed., K.T.C. 1959 to replace Mr. Harold Moore as teacher of General Science and Civics. Mr. Moore resigned to accept a position in Milford high school.

Mrs. Arline S. Rotman, B.A., M.S., Brandeis University 1958 and Yeshiva Graduate School 1959 as an additional Social Studies teacher in the high school.

I would add that the introduction of a salary schedule in the district was instrumental in holding our teachers as well as making it possible to find well qualified replacements.

Because of large classes moving up we again find it necessary to add another additional teacher to the high school staff; one to the junior high school, and one additional elementary teacher. A glance of the enrollment table included in this report will show you why.

REPAIRS AND REPLACEMENTS

The efforts of your school board to keep the school buildings in good repair is an important factor in keeping costs at a minimum. Wherever possible minor repairs are taken care of by the custodians as part of their regular duties. A new porch floor at So. Merrimack is just a good example. A new outside door at Reeds Ferry and repairs to the heating units in Reeds Ferry and Thorntons Ferry have added to the comfort and safety of both buildings. A planned program for keeping the buildings and classrooms painted has been followed to good advantage. Your budget for 1960-61 reflects the needs for storage space in the classrooms; this is good economy in that it saves scholar supplies and text books.

NEW EQUIPMENT

Much of our new equipment outside of needed classroom furniture has been channeled into the Science program. We were able to save a considerable amount of money in the purchase of this equipment by applying for aid through the National Defense Act of 1958.

This year's request includes equipment that can be utilized by the Science, Math and Foreign Language Departments. Once again we should realize half its cost from the N.D.A. 1958. This is reflected in the estimated receipts for 1960-61. As this Act covered three years it is good business to take advantage of its benefits.

INSTRUCTION

As Mr. Paul L. O'Neil's report follows I shall only say here that I am extremely happy with the results of his efforts as Helping Teacher in charge of Instruction. The fine cooperation given him by Principals and teachers is most gratifying.

SCHOOL LUNCH

The school lunch program at Merrimack is a wonder to observe. The new kitchen (reportedly one of the best in the state) and adequate space for setting up the tables was a fine step forward. However, the test of a lunch program is in the number of pupils participating in it; the 400 or more lunches served daily is silent tribute to the work of Director George Greenleaf and his helpers. Miss Ruth Cutter, State Director of School Lunch Programs has said she expects the Merrimack program to be one of the best in New Hampshire.

LOOKING AHEAD

Your School Board and Building Committee has been working for some time on a plan that will best meet the needs for future growth in Merrimack's school system. This plan is included in the warrant you will note upon this March. I can say as your Superintendent that the proposed plan deserves your every consideration. To me it makes good sense as it was conceived with the future in mind, not as a stop-gap measure only to solve our most immediate problem.

I would like to close with a quote, "Leading is a simple thing my friends! It is the luck to find *others* who can lead! Then *back* them!" You have that type of leadership in your School Board. *Back them.*

I wish to express my appreciation to the School Board, citizens, and all School personnel for their fine cooperation; it has made my being a member of the team a pleasure.

Respectfully submitted,

LOUIS L. RAMSAY

Superintendent of Schools

Principal's Report

From July 1, 1958 to June 30, 1959

In writing a yearly report on the activities of your high school I would like to express the gratitude of both the faculty and the student body for our new gymnasium. Although it has been finished only a few short months it has already seen many hours of use. The first two school activities to be accommodated in the new building were the Junior Prom sponsored by the Class of 1960 and the graduation program of the Class of 1959. I feel that both of these activities will be long remembered by those who attended.

The gym is undoubtedly a valuable addition to our school plant, however, there are other areas in our school program that demand serious consideration.

The problem of balancing a curriculum so that it will be challenging and worthwhile for those who wish to continue their schooling and yet be of interest and value to those who are compelled by law to attend school, is a continuous problem of adjustment which will be inevitable as long as we have a school for all the children. At present we are unable to fulfill the needs of the male students who do not intend to pursue courses of study beyond the secondary school level. The addition of a shop or industrial arts program would balance the home economics program which is provided for the girls and therefore provide the necessary offerings for this group of boys.

There is also a great need for a definite and continuous guidance program in our school. Because of our complex, modern society and increasing enrollments in the schools the teachers are unable to assist all of the students in the solving of problems related to their high school curriculum and to their educational and vocational futures.

It is for improvements in these areas that I ask your consideration.

The following sections concern the activities of the pupils of Merimack High School during the past school year.

I. ATHLETIC HIGHLIGHTS

Ronald Pirog and Edmund O'Leary participated in the Class S Foul Shooting Contest at Durham.

The boy's basketball team was defeated in the first round of both the Keene Teachers College Invitational Tournament and the Monadnock League Class S. Tournament.

Carol Allgaier and Betsy Cummings were chosen to represent Merrimack High School in the Miss Cheerleader Contest for New Hampshire.

The Twelfth Annual Watkins Prize Speaking Contest was held on November 7, 1958. The program was as follows:

II. DRAMATICS AND PUBLIC SPEAKING

- | | |
|---------------------|---------------------------------------|
| 1. Edward Stapanon | "Biff Perkin's Toboggan Slide" |
| 2. Diane Shorey | "The Sparrows Fall" |
| 3. Linda Lessor | "An Evening With A Baby Sitter" |
| 4. Sandra Fournier | "Peggy's Birthday" |
| 5. Sandra Malette | "White Lilacs" |
| 6. Donna Watkins | "The Amateur Hour" |
| 7. Deborah Longa | "Democracy's Voice" |
| 8. Joyce Cramer | "The End of A Perfect Week
End" |
| 9. Suzanne Brown | "Susie Shows the Wedding
Presents" |
| 10. Leslie Alber | "Good-bye Sister" |
| 11. Charlote Lane | "Mom's Bridge Game" |
| 12. Elsa Lindsay | "Patsy" |
| 13. Michael De Vito | "The Big Game" |

Awarding of the prizes—Mr. Harry Watkins, Donor
Judges Miss Barbara Fuller, Alvirne High School
Mrs. Elizabeth Morrill, Pembroke Academy
Miss Florence Parker, Hudson Elementary School

The Winners and Prizes were:

1st	Deborah Longa	\$30.00
2nd	Leslie Alber	\$20.00
3rd	Diane Shorey	\$10.00
4th	Donna Watkins	\$ 5.00
5th	Sandra Malette	\$ 1.00

Cathy McKay and Faye Waterman participated in the State Speech Contest at Durham, N. H.

Shirley Reed won the "I Speak for Democracy" Contest for the State of New Hampshire. She received many beautiful prizes and a trip to Washington, D.C.

Cathy McKay and Leslie Alber participated in the Supervisory Union #27 Prize Speaking Contest. Each won Honorable Mention.

The Annual High School Play, "Susie The Siren" was held on November 26. Mrs. Dickison did her usual fine job of directing.

III. SENIOR AWARDS

HELPING TEACHER REPORT

Mr. Louis L. Ramsay
Superintendent of Schools
Merrimack, New Hampshire

Dear Mr. Ramsay:

The following paragraphs will constitute my report as Helping Teacher in the town of Merrimack, New Hampshire.

A teacher's task is exceedingly complex. To assist in making one phase of his responsibility—that of improvement of the instructional program—somewhat of a less cumbersome experience, you have engaged the services of a Helping Teacher. His concern therefore, is to see that teachers keep in sharp focus our immediate as well as our ultimate educational objectives. A helping teacher must see to it that teachers are kept abreast of educational developments and be able to interpret these in the light of the individual teacher as they affect his performance in the classroom. How does a helping teacher go about this task specifically? There are many techniques and devices used. These are listed for the reader but do not appear in any order of importance, nor is this list all-inclusive:

A. CLASSROOM OBSERVATION AND SUPERVISION

Teachers, for the most part, expect and should receive helpful suggestions aimed at personal improvement. As I visit from school to school, classroom to classroom, I find teachers utilizing very effective methods of instruction. On the other hand, I have had teachers ask me, "How can I teach this particular phase of fifth or sixth grade arithmetic more effectively?" or, "What can I do for Billy, he's not getting this new concept?" This is a healthy sign, when teachers seek assistance. No matter how good we may think we are, there is profit in seeking guidance from others.

B. PERSONAL CONFERENCES

Following a classroom visitation I usually try to schedule a conference session—quite informal often times — in some instances the conference is formalized with the presence of the principal and/or superintendent, as well as the helping teacher. A teacher's strengths are discussed as well as his apparent weaknesses during such a meeting. There is a healthy "give and take" of opinions and ideas. Much good can be derived from this conference technique.

C. GRADE LEVEL MEETINGS OF ALL TEACHERS UNION-WIDE

Each year, at least one well-structured grade level meeting is held in Hudson. Often times two or more such gatherings seems profitable. This device gives the teachers of grade four, for instance, a chance to talk about instructional matters and problems which pertain to their specific grade level. As we meet at these sessions teachers often construct simple teaching aids for use in their teaching. Occasionally one or two teachers will present to the group a successful classroom technique which they have used most effectively. An exhibit of current materials new to the market is planned, teachers are given an opportunity to browse through this material deciding upon its relative value to them.

D. WORKSHOPS OR WORKSESSIONS

Publishing companies often make available to our teachers the free services of specialists or consultants. These key people help us to better utilize their product, whether it be a textbook, audio visual equipment, or some other device to improve teaching skills. This year, we met in Merrimack to learn of ways to improve the teaching of music. Teachers enjoyed this session and were amazed to find that much of the equipment was of a rather simple and inexpensive nature.

I have found that your teaching staff here in Merrimack is most cooperative. It is a pleasure to work with them.

I have found that many of Merrimack's classrooms are faced with the problem of surging enrollments. You should, therefore, give unstintingly your support to the School Board in its plan for increased facilities. No teacher, regardless of his professional background and ability, can adequately teach more than 30 youngsters in grade one — that is, and do the kind of job we know you want them to do. Statistics released from Washington headquarters of the National Educational Association clearly point out the advantage of a classroom with no more than 25 children.

We have elementary classrooms, staffed with key personnel, here in Merrimack, with enrollments of 38, 39, 40, 41, and 42! Rest assured, these teachers are doing every bit of what is expected of them. I marvel at their performance. I marvel also at the performance of the children. Our achievement tests, administered each year in April, place Merrimack comfortably above national performance levels.

Living in a rapidly growing section of the state as we do here in Merrimack we must roll up sleeves and prepare for bigger problems on the educational front. Your school board and administrators have been doing this very thing right along—one need only consider the expanded facilities already existent to bear this fact out.

Needless to say, my work in the Merrimack schools is a most rewarding experience.

Respectfully,

PAUL L. O'NEIL

Helping Teacher

Elementary Annex Report

June 1, 1958 to June 30, 1959

As in the previous year, Grades 4, 5, and 6 were divided into two sections with a large enrollment in each. Before school closed for the year, the two 6th Grades moved into the new classrooms which had just been completed. With the new classrooms, all of the intermediate grades are now in one wing of the building.

The boys of Grades 5 and 6 participated in a field day held at Pelham, New Hampshire for the schools of our Supervisory Union. Many individual trophies were won by the boys who took part.

The resignation of Miss Gregg, fourth grade teacher, was accepted with regret. Miss Gregg accepted a teaching position in North Conway, N. H. Elected to replace her was Miss Katherine Cady of Claremont, New Hampshire. Miss Cady is a recent graduate of Keene Teacher's College.

Respectfully submitted,

LEO F. GARRAHAN

Report of Music Supervisor

Merrimack High sent three representatives to the All-State Music Festival which was held at Portsmouth, N. H. in April. These representatives were Virginia Mason, 1st soprano; Beverly Broad, 2nd alto and Richard McKenny, 1st tenor.

The Band and Jr. High Glee Club had the privilege of being the first group to perform in the new auditorium on Memorial Day. It really was quite inspirational to all.

The music program can never play as an important part as it should until it becomes a full-time course. In the meantime we are all doing our best to make the subject interesting.

Respectfully submitted,

MARY C. DONNELLY

Music Supervisor

"NO SCHOOL" SIGNAL

If school is to be called off for any reason there will be notice read over stations WOTW in Nashua and WFEA in Manchester at 7:30 o'clock in the morning.

Because the required 180 days of school brings the closing of the school year well into the month of June, it is the feeling of the School Board, that it would be unwise to call off school unless it is impossible for the busses to negotiate their routes. We are asking all parents to use their own discretion sending children to school during a bad storm.

SCHOOL BOARD MEETINGS

The regular monthly meeting of the School Board is held at the High School on the third Tuesday of each month at 7:30 P. M. The meeting is open to anyone with complaints or suggestions on the operation of our school system. The only way that the School Board can act on any situation is as a body.

Once again I wish to thank the Merrimack Lions Club for their fine assistance in our sight saving program. Their recent gift of vision testing equipment has made it possible to test vision far more accurately than in the past.

The health unit equipment given by our P.T.A. was gratefully received and put to immediate use.

My sincere appreciation to all for their interest and splendid cooperation.

Respectfully,

ELEANOR MONTE, R.N.

School Nurse
